In this time more than ever, access to bicycles is essential for many individuals to meet their basic needs whether it be to earn an income, reach support services or get groceries. With that in mind, we continue to adjust shop operations. Our temporary operational changes may be found below.

**General Operations Changes**
- Limit of 3 customers in the shop at a time;
- Cashless payment options are requested if possible;
- Contact surfaces are sanitized after each customer;
- Social distancing markers are provided inside and outside of the store;
- Regular programming is temporarily suspended;

**Used Bike Sales** - Our bikes are all fully refurbished, come with a 3 month warranty and start at around $350. Some of our selection is posted [here](#) on craigslist. If you would like to look at our used bike selection please come down between 11am and 6pm Wednesday - Saturday. If you own a helmet please bring it with you.

**Service** - Currently open Wednesday through Saturday 11am - 6pm. **The cut-off for assessments and service is 2pm.**

**Used Parts** - Premium used parts will be available online [here](#). The red bins are now open. Browsing time is limited to 10 minutes. Sanitizer will be on hand for before and afterwards.

**Volunteering** - We are welcoming volunteers back to the shop on Sunday's from 2-6pm. For now we are only able to accommodate those who have volunteered with us previously. Space is limited. Advance sign up is required [here](#). Sanitization and distancing procedures will be in effect for all volunteers. Email volunteer@pedalpower.org if you have questions.

**DIY Stands** - Currently not available.

**Donations** - Right now we do not have the capacity to process strips, but have some specific needs for:
- Gently used contemporary and vintage road bikes, mountain bikes, commuter bikes (no rust, no steel wheels, no kids bikes;)
- Bike parts, accessories, and apparel including wheels;

If your donation fits with the criteria, please feel free to drop off at the shop during open hours. Anything else can be brought to the [Zero Waste Center](#).
